

DERBY OPEN 2025

What a scorcher!

Many stayed over the three days, and it was perfect for those who camped. Others brought campervans or stayed locally.

105 competitors braved the heat and hopefully all left with a smile on their face. Close to 1000 events were shot.

Congratulations to
Steve Lane for setting
a British Record in
TP3 with a perfect score.

The **Brownells** Trophy for the Home Countries International Match, and medals were presented to the England team, England also won the LBP event and Scotland the LBR.

THANKS

The Derby Open really is a team effort and would not be possible without the 30 plus Range Crew who worked unbelievably hard over the weekend in uncomfortably high temperatures. Stats deserve a special mention for again producing the results so soon after the last shot, and most importantly Pam & Mick, Rupert, Hillary on the BBQ.

FUNDRAISING.

£210 was raised for the Air Ambulance service from donations at the BBQ, and thanks to everyone who purchased, or donated, goods from the GBGR squad stall to raise £840 for the GBGR overseas fund.

Also the guys who set up on Thursday deserve a mention as does John's wife for the first ever Derby Open cake, it was delicious

The amazing Prize Table was sponsored by 14 companies this year, and I'm sure you will agree it is unique in its variety of prizes. Please support the sponsors if you can and thank them. More than ever competitors stayed behind which is very gratifying. I think we have got it right.

DERBY HANDGUN CHALLENGE 2025 16/17th August

Online entry [HERE](#),

We have tweaked the programme to encourage more to enter by introducing THE GRAND, for LBPs. This is the first time this event has been held anywhere so the winner will be the British Champion.

The content of the Short Aggregate has been changed, also on the Sunday there will be a Shotgun T&P1.

Team Smoothy will be holding a Practical Match on the Saturday. Enter on the day and re-entries allowed, time permitting.

There are more than ever handgun shooters out there so spread the word and bring a carload.

Team Derby looks forward to seeing you.
